About Us

We conduct specialized research and design to solve problems and create positive social impact.

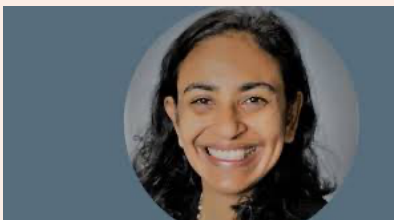

Qualifications

Our multi-disciplinary experts hold advanced degrees in business, engineering, science, anthropology, and the arts from reputed institutions. We have worked for Tier One organizations, and collectively served over 100 + transformation projects for government, non-profit, multilateral, and corporate organizations.

Distinctions

- Depth in research and design expertise and frameworks
- Breadth in transformational experience
- Agile project management to optimize value and delivery
- Tested and collaborative approaches of engaging stakeholders to design and own the change and build capabilities.

Founder

20 + years Tier One Consulting
MA and MBA Columbia University
